

The House Of The Lord

PRESENTS

GOD'S MESSAGE

IN SONG

**1. CHRIST TODAY – Seen the new and living way,
Giving His life to all – who hear His great call:
As the river now flows.
Reaching out to all mankind,
Bringing them to new Life Divine
Come and hear Him, I pray – and walk in the way
Of this Christ today.**

**2. THE LIVELY STONES are gathered here,
That Christ has brought from far and near;
With their worship and their praise,
Giving glory to this Day.**

These lively stones now sons shall be,

**And this house shall set men free,
Giving glory through the land
To the Christ that's now at hand
Through these lively stones.**

3. TO HIM THAT OVERCOMES

**Shall I grant to sit with me in my Father's throne,
To him that overcomes –
Shall I make a pillar in the temple of my God.
The trumpet blows, a voice sounds clear,
That all of God's sons shall dwell up here
In raiment white and pure,
And I counsel thee to buy of me
This gold that has been tried in the fire.**

**4. MERCY AND TRUTH are met together,
Righteousness and peace have kissed each other,
And the Lord shall give – that which is good,
And He'll set us in the ways of His steps.**

**Truth shall spring out of the earth, and all men see
The righteousness of Him coming forth in you and me,
And the Lord shall give – that which is good
And He'll set us in the ways of His steps.**

5. THE EARTHEN VESSELS CRYING "ABBA"

Sons of God now cry,

Oh earth, arise, and go and see the host,

All heaven is here.

Oh come, ye earth, and start your singing

Proclaim this day of the Lord,

Oh rivers flow – throughout the desert,

Earthen vessels now glow.

Come into Mount Zion,

Awake, ye watchmen, and see:

Arise, O Israel, and march across the land and see;

The Christ has come! He's arisen in you and me!

6. I HAVE A NEW SPOTLESS GARMENT, found the old one won't do,

Hold the keys to the throne room, see a creation that's new!

His love became righteous judgment, setting all mankind free,

And He's changing these garments, that the world may Christ see.

7. LOVE IS THE ANSWER – to bring life to this world, my friend.

Love is the road map to restore all back into Christ again.

Love conquers all our foes, all our lack in understanding Him.

Love brings the unity of the Son in you and me.

**8. A WORD RINGS CLEAR for all the hear, our Father's will today;
As he robes His own and upon His throne, now takes dominion there.
So that all may know His love, amazing grace and peace,
And we behold the glory of His unveiled face!**

Chorus:

**Come into this holy place, the veil is rent you see,
As my gold comes forth the world will know a nation now made free;
Oh, to walk as Sons, His will be done, what a glorious place!
As we behold the glory of His unveiled face!**

**My word I now perform in thee, this my chosen land,
And as ye speak, there's no defeat, but there is victory on all hands;
My life ye now shall give and that more abundantly,
And the glory of my unveiled face they'll see!**

**9. OH, MIGHTY WELL, spring forth with life – no death shall enter,
We sing His praise – Hosanna's ring from realm to realm,
As those who walk with God upon the earth now gather,
Not to express themselves, but only showing HIM!**

**A great light has sprung forth in the darkness,
As the Christ proclaims this Day.
Arise, ye earth, Proclaim your birth, A new Creation,
And let that Light spring forth in you this way.**

**10. I'VE HEALED THE SICK – made the blind to see,
Caused the lame to walk – and I've set men free,
Still I show thee a more excellent Way.**

**My gifts I've given unto men, and miracles I've performed for them,
And yet, I show thee a more excellent Way**

**Yes, I'll show thee, yet a still more excellent Way,
I show the Way where no man shall abide,
No flesh shall obtain this high prize of life,
The covenant I've made – it shall stand,
My Spirit brings forth In-Christed men,
Yes, I will show thee, a more excellent Way!**

**No longer held in the realm of a man,
No limitations, No boundaries will stand.
The mysteries of God now unfold,
For My Word brings forth my pure gold,
Yes, I will show thee a still more excellent Way!**

**11. FOR CHRIST SHALL REIGN – `till every enemy goes underfoot,
Until death is destroyed off His jewels,
`Till all proclaim, "His righteous judgments, bring gladness and joy"
And all shall know that the heavens do rule.**

12. I'M DECLARING THE END, FROM THE BEGINNING,

**And from ancient times – the things yet not done,
For my counsel shall stand – I will do all my pleasure,
As the former things pass, in me you're made One.**

13. I'VE GIVEN THEE JOY FOR SADNESS, peace for all thy pain,

**Lifted thee in the heavenlies – there with Christ you'll reign.
All my redeemed shall see, hear, and do my will,
I've given thee peace – so rejoice – and with my love be filled!**

14. I KNOW HE LIVES, yes, I know He lives,

**And because He lives – so live I,
That my life may be hid in the cleft of that Rock,
And that Christ may be seen in me.**

15. THE KINGDOM AND DOMINION

**Has been given to the saints of the Most High.
It is an everlasting one – I speak of Life for ye shall never die.
The covenant I've made shall stand,
Death disannulled by my own hand,
And with mercy I shall pass over these I've tried.
This remnant Seed that I've preserved,
Is now being seen upon the earth,
And My Glory rests on the saints of the Most High!**

**16. So many times, I've asked, "Why Lord?"
So many times, I've cried out, "How long Lord?
How many times must my heart be torn all apart?"
Then He showed me a vision in the night time.**

**AND I SAW ANGELS, PICKING UP THE TEARDROPS,
As they fell from the cheeks of the saints.
Yes, I saw angels, taking them to Jesus,
And there He put them in a bottle of remembrance.**

**So many tears have fallen, in secret.
So many tears have gone by, unnoticed.
But my Jesus is always mindful of all our sorrows,
He'll pick up the broken pieces of your heart.**

**For I saw angels, picking up the teardrops,
As they fell from the cheeks of the saints.
Yes, I saw angels, taking them to Jesus,
And there He put them in a bottle of remembrance.**

**17. COME UP HITHER – in the Son realm,
No dragon here abides,
For the sure Word now has conquered,
And in Him we have our life**

**As the kingdoms of men crumble,
Have no fear – just stand and see;
That the Kingdom of our Father
Is brought forth in you and me!**

18. YOU'RE THE CHILDREN OF THE DAY

**In the City, you're the light,
You're born from above,
Shining forth now in the night.**

**This seal now set on you,
Testifies that God is true.
All things are in your hands,
Without measure unto you.**

19. TAKE THE VEIL FROM OFF OUR FACE,

**Let all death now be erased,
Bring us everlasting joy,
As the covering is destroyed.**

**Take the pain from off our land,
Let the Christ now take command.**

**Wipe all tears away today,
Former things are passed away!**

20. SPEAK – THAT I MAY KNOW THY WILL

Pave the way, that I may go.

Perform thy work in me that all may see Thee.

Then, glorify Thy Seed that all may know Thy love divine,

And speak – that I may do Thy will – not mine.

21. I DESCEND WITH A SHOUT – and the voice of the archangel,

To proclaim this place, where the living dwell in joy.

Caught up, forevermore now to conquer,

There I'll bless and multiply My Seed much more!

22. THE FAITHFUL CITY STANDETH

And the pillars now come forth at God's command,

Never silent, just rejoicing,

They're the streets of gold, He's tried –

And now they stand!

Only speaking of the Father,

That His will be done in earth and all men see,

And His work they now shall finish,

For His glory rests upon these redeemed.

23. FOR YOUR COVENANT WITH DEATH,

Shall be disannulled – it shall not stand,

When the over-flowing scourge shall pass,

Our Father gently holds us in His hands.

**As the veil is rent,
We shall see the new creation man,
And like that precious cornerstone
A sure foundation evermore will stand.**

**24. YET, NOT I – BUT CHRIST liveth in me,
Yet, not I, but Christ liveth in me,
I'm alive in God, crucified with Christ,
But, nevertheless, I live – yet not I.**

**25. AND YE SHALL BE A NAME OF JOY and praise and honor
Before all nations,
For I have chosen thee, thou art mine.
I give unto thee prosperity,
And goodness and mercy shall follow thee, forever;
And as ye praise Me, so shall it be.**

**And the world shall look and they shall see
You reigning from the heavenlies,
Every knee shall bow proclaiming Him,
And they'll know it,
And through the voice of joy and gladness, they will see My face,
Your love will show it.**

26. INCLINE THINE EAR and come unto me,

**Hear and thy soul shall live,
I've made an everlasting covenant
And as my witness ye shall give.**

**The sure mercies of David,
That my nations now shall see,
Behold this Holy One of Israel
For He hath glorified thee!**

27. HIS LIFE WE ARE GIVING,

**In peace we are living,
His glory now shineth on you and on me.
True Word now is ringing,
His love it is bringing,
This joy, everlasting we see.**

28. IT'S GOOD TO BE FREE – it's good to be free,

**No earthly kingdom has a hold on me.
My heavenly Father, He dwelleth in me,
O praise the Lord! It's good to be free!**

29. SING AN OVERCOMING SONG WITH ME – of power and victory

And how we've arisen from the dead.

**Well, we heard a voice,
Out of the grave we came, and His life He gave,
That this new way we see.**

**We're reigning from the heavenlies,
All things are given to you and me, without measure,
And now we proclaim,
Sing an overcoming song – of the Lamb upon His throne,
His life brought forth in you and me!**

**30. MANIFEST THE LIGHT, the life of Christ,
For the world must see Him,
And as He appears, the groaning captives shall go free.
Bring about the change, perform the mighty counsel of His will,
Manifest the Light, the life of Christ,
Let all flesh be still.**

**31. HAPPY ARE WE, who go in and come out no more,
For the fullness of One – The Christ – The Son
Is the only door.
The truth is the way, it's revealed in this day,
His life has begun.
All flesh must cease – then He gives peace
Victory has come!**

**Happy are we, joyful indeed – we have liberty,
We are born from above, we are birthed in His love
And His praises we sing.
His covenant are we, we're His joy and His peace,
Setting mankind free.
Sorrow has flown – He's come into His own,
So rejoice with me!**

**32. YOUR SALVATION IS NEARER since the Day Star is here,
For the Lamb lights up the City,
All our curse disappears.
Your redemption is now nigh,
Look to Him and You'll see,
The Christ in all His glory,
Flowing forth through you and me!**

**33. A NEW DAY I SEE – and a new way to be,
Transformed into the perfect light of the Son,
Sons of God raising up, scaling heights yet untouched,
Yes, a new Day, a new Way I see.**

**34. I HEAR SINGING – the redeemed of the Lord now stand;
Those who follow the Lamb,
Unfiled by man.**

Out of Zion, the everlasting Gospel rings,

I see the Priests and Kings,

The redeemed of the Lord.

The everlasting Gospel rings,

I see the Priests and Kings,

The redeemed of the Lord.

35. I SAW HIS FACE,

I live no more,

His life came forth,

My life to restore,

Because of His grace,

I found my place,

Then I saw His face – I saw His face.

Man cannot see,

His face and live,

Your life you must lose,

That His you may give,

O marvelous grace,

Each man in his place,

When they see His face – when they see His face.

Nations shall come,

**To Him they shall bow,
Through His gates of praise,
Salvation is now,
His chosen seed,
Is what the world needs,
They will see His face – they will see His face.**

**36. I CREATE IN THEE A NEW LIFE – darkness has all passed away,
Your life has new beginning – Christ Supreme does reign today.
I form in thee a new world, without ending now you see,
It brings forth a new creation – in the earth a praise to be.**

**37. HERE I AM LORD – here I am Lord,
To do Thy Will on earth.
To give Thy life to all who thirst,
Here I am, Lord – here I am, Lord.**

**38. THE MYSTERY IS FINISHED – He said "It is done,"
Come blow the trumpet all ye created Sons,
For the nations are waiting, His life to receive,
With love and rejoicing, blow the trumpet with me!

With one voice proclaiming His life through the land,
Saying, "Great is our Father and the Christ who is at hand."
The price He has paid, reconciling all, you see,
So come all ye sons, blow the trumpet with me!**

(continued on next page)

THE MYSTERY IS FINISHED ... continued

**His army now rises, His breath has made us one,
Bone of His bone, fitly joined now here we come,
To conquer all death, setting all mankind free,
Stand on your feet, blow the trumpet with me!**

**39. HIS RIGHTEOUS TREES are planted by the water,
They shall bear fruit – not wither, but shall prosper.**

**His Trees of Life are healing for the nations,
They shall stand tall – they shall not fall,
These righteous trees!**

40. PEACE FOLLOWS EACH NEW TRANSITION,

**Love flows like waters that utter His Name,
He appears with His presence, to show forth His heavens,
For they bear His image – Thank God for the change.**

**41. FOR THE JOY OF HIS APPEARING now besets His whole creation,
And they sing and praise the Master, for all that he has done.
The Sons of God declare Hi, as they sing their Hallelujahs,
Now they please the Father – They're the new creation Sons!**

**42. I LOVE HIS IMAGE – I love His Name,
I love the glory that He brought when He came.**

**For I see the Father, and in Him we're made one,
And I love His appearing, within every Son.**

**43. STRETCH FORTH YOUR HANDS – and heal the nations,
Speak forth the Word, and give them life.**

**This is the Day that God has chosen,
And as He is, so are we, in this world.**

**44. I'VE DESTROYED THE YOKE FROM OFF THY NECK,
Opened up the prison door.**

**Through the glory of this latter house,
My creation is restored.**

**I have loosed all the pains fo death,
Called you forth in victory,
I have swallowed up the old,
Zion shall behold Me, as I am.**

**45. HOW BEAUTIFUL UPON THIS MOUNTAIN,
Are the feet of him who brings good tidings and peace,
And publishes salvation, and saith unto Zion,
Thy God reigneth!**

**The watchmen now lift up their voice,
Together, we all rejoice, as Zion breaks forth.
With joy we now sing and comfort the Redeemed,
For our God reigneth!**

46. THE WOLF AND THE LAMB SHALL FEED TOGETHER,

The lion and the bullock be as one.

No hurt nor destruction, in all my holy mountain,

No crying now, a new Day has begun.

And I do rejoice in my Jerusalem,

For through this people, Love has made us one.

No hurt nor destruction, in all my holy mountain,

For we now see the Father in the Son.

47. IF I CLOTHE THE LITTLE LILY,

Why worry what you'll wear?

If I feed the lonely sparrow,

How much more for you do I care?

If I part death's chilly waters,

Let you walk on Holy ground,

Know ye not, I shall perfect you as I am?

If while in the fire I'm with you,

Why hold on to the dross?

If I call you to higher places,

Why drag along that old cross?

If I've never failed nor faltered,

Why doubt the truth you've found?

Know ye not, I shall perfect you as I am?

I'm the Peace, the Joy, the Righteous One,

The Living Water too,

I'm the Bread to feed the hungry,

I make the old things new.

I give Life to all who hear Me,

And my love to all abounds,

Know ye not, that ye shall see Me as I am?

48. IT'S HE IN THE MIDST OF THEE,

He's the water running free, around the tree of your city,

And the Lamb, now is the Light,

There is no more night,

All the tears are gone, and the sorrow's flown,

Through the Christ in the midst of thee.

49. WHEN THE STORMS RAGE,

And your heart breaks,

And it seems no one will listen.

I just calm the waves – I bring a new Day,

I say peace, peace, be still.

When your earth quakes,

And your heavens shake,

**And it seems there's no tomorrow,
I just stop the wind, I say live again,
I say peace, peace, be still.**

**50. THIS IS MY DAY OF JUBILEE,
I heard His voice – He said, "You're free!"
As I'm released, so I release you too.
This is my day – I am restored,
My kingdom has become the Lord's,
So let us praise Him, this is our jubilee.**

**51. I'M CREATED BY THE WORD, resurrected I stand,
Brought forth in the likeness, of the great I AM,
Unveiling the mystery of God's great plan,
I in thee, thee in Me, and we in Him!**

**52. WE ARE SPEAKING A WORD – a new and living Word,
A Word that knows no boundaries,
A Word with power to save – A Word with power to heal,
A Word that shall never pass away.**

**53. WHAT I SEE HIM DO, I will do.
What I hear Him say, I will say.
Losing my will, that the world may see,**

This new and living way.

(continued on next page)

WHAT I SEE HIM DO ... continued

Where He leads me I will go,

That where He is, I may be also.

Losing my life, that His life they may see,

As He appears in His glory.

54. BUILD UP THE WASTE PLACES,

Restore paths to dwell in,

Repair the breach, lift high the standard of our God.

Blow loud the trumpet,

Throw wide the gates now,

The time to favor Jerusalem has come.

55. LO, I LOOKED and I beheld the heavens opened up,

Then I heard a voice, the Righteous One appeared.

Death destroyed, and on His head the victor's crown did rest,

Now the great I AM comes forth, His Seed to bless.

Yes, I'll do Thy Will, proclaiming all Thou art to men,

Walking in Thy love where angels fear to tread.

Bringing low the kingdoms built by the carnal man,

Lifting up the Life that now does dwell within.

56. WISDOM IS BUILDING THIS HOUSE,

Sorrow and mourning's moved out,

Love has moved in, we're rejoicing again,

For Wisdom is building this house.

Truth and Understanding abide,

Mercy and Knowledge live inside,

All things are new – His perfection shines through,

For Wisdom is building this house.

57. HEAVEN AND EARTH ARE PASSED AWAY,

It's the completion of an age.

Where grace did abound,

Now righteousness found,

And we sing, for we are His new Day.

58. WALKING IN THIS LIFE HE'S GIVEN

We proclaim with Him, "We're risen"

And we bring about the change through righteousness.

As His remnant seed now gather,

To establish now forever,

This great Kingdom that has always been within.

**Going forth now we do conquer,
For His Word stands tall in honor,
And His love does bless and show His Majesty,
To the Alpha and Omega,
We cry glory forever,
This appearing now shall set His Sons all free.**

**59. HEALING STREAMS OF LIFE ARE FLOWING,
Perfect Love we are imparting,
We're reconciling one to another,
Healing streams of Life are flowing.**

**60. HE PUT A RAINBOW IN MY LIFE,
He made with me a covenant,
He destroyed my death and strife.
And now the Son shines full within,
The world that was void,
He now has restored,
He put a rainbow in my life.**

**61. BEFORE ME THERE STANDS AN OPEN DOOR,
The Spirit of the Father says go forth,
Just trust and hear and do my every word,
For Son, you've never come this way before.**

62. Who took your mourning and sorrow away?

Who took your life and restored it, I say?

Who took away the part,

And revealed in you His all?

THE I AM – THE I AM – THE I AM.

Who healed your land and brought forth the first fruit?

Who plowed your earth, and made you meet for His use?

Who leads your every step, makes His Word now stand tall?

The I Am – The I Am – The I Am.

(continued on next page)

THE I AM - THE I AM- THE I AM continued

Who shall we say is appearing today?

Who shall they see in the midst of thee?

Who'll take away the veil, let creation go free?

The I Am – The I Am – The I Am.

63. WE'LL SING, DANCE AND TELL the world of His Life

Until Zion sees eye to eye,

We shall restore – love creation more

And show them they don't have to die.

We all shall ascend, and while living in Him,

We're changed, `till with man it is well,

Redeemed we do sing and we dance for the King,

`Till there is not one man in hell.

64. GIVE ALL OF YOUR PRAISES UNTO THE GREAT KING,

He who sits on your throne – He does know everything.

And when nothing is hidden, and our knees humbly bow,

To the Christ in each other, then our cups He will fill.

So when one may need strength, we their strength do become,

We are rest for the weary, we're His will that is done.

We'll behold His great beauty, as His life does unfold,

And if we'll all stand together – we'll the Father behold.

65. IN A MOMENT, God turns all our nights into Day,

In a moment, God wipes all our tears away.

In a moment, God gives us a new life to live,

In a moment, We all are changed.

66. Heaven's not an altitude, HEAVEN IS AN ATTITUDE,

God dwells deep within the hearts of all men.

Heaven's not a fantasy, Heaven is a reality,

God and man being reconciled again.

Heaven's not an altitude, Heaven is an attitude,

God dwells deep within the hearts of all men.

Heaven's not a far off land, Heaven is right at hand,

God and man being reconciled again.

67. THE WORD IS MADE FLESH AGAIN,

A house divided will fall – but the Word does stand tall,
He is now the beginning and end.**

The Alpha – Omega, now appears through the Son.
Now our Father we see and in His likeness we'll be,
For the Day of His fullness is come!**

68. I'M OPENING UP THE BOOKS OF LIFE

**That all truth may be told.
That sure Word yet unwritten that
My prophets did withhold.**

**These words will resurrect the dead
As before the seat they stand,
My judgment and my mercy seat
Will bring forth this Corporate Man.**

69. IF I FLY THEN YOU CAN TOO,

**Just believe in God in you.
For the day of doubt is through,
And if I fly, then you can too.**

**I'm off balance you can see,
It was impossible for me.
Now I glide through air so free,
For His purpose to be seen in me.**

**On your own you'll never sail,
To the heights where God prevails,
Just stand fast in God and be,
So said the bumblebee to me.**

**70. BLESS ALL CREATION,
Set all mankind free,
Touch not, nor handle
This Word – let it be.
Until it's formed in each other,
His perfection to see,
Then we'll all flow together
In sweet harmony.**

**71. I'VE MADE THEE HINDS FEET,
So walk up the highest mountain you have seen.
And with your new life, go break strife,
With a rod that's pure and clean.
For no corruption – shall live within this place
Where ye now dwell,**

**I have a people to shine through,
And in them, there is found no hell.**

72. HE WHO EATS MY FLESH AND DRINKS MY BLOOD,

**I shall raise up, I shall raise up,
Yes, he who eats my flesh and drinks my blood,
I shall raise up, in the last Day.**

And I shall raise up, I shall raise up.**

**He who dwells in Me, there is found no death nor strife,
And I shall raise up in the last Day.**

73. WE DO PRAISE THEE,

**Thou hast rained upon our land,
The latter and the former,**

Has brought forth this Corporate Man.

**And the harvest is so glorious,
The Firstfruits now we see,
The Feast is choice, we have heard His voice,
And a new appearing now shall be.**

74. WE'RE CLOSER NOW, than we've ever been before,

**Get on your feet, let's take a stand,
We're crossing over with this whole man.**

**Perfection tones are ringing loud and clear,
Off with the dross, down with our mind,
A brand new nature we will find,
This is the Day!**

A place that we have not seen.**

(continued on next page)

There's a place where all valleys rise,
There's a place where we shall be like Him,
Where his love can be seen in our eyes.**

**There's a people in the Lord that are Holy,
There's a people in the Lord that are free,
There's a people in whom death's hold is broken,
A people the world has not seen.**

**There's a people whose mountains have crumbled,
There's a people whose valleys rise,
There's a people who shall be like Him,**

And you can see God's love in their eyes.

76. I'M RAISING UP IN YOUR HOUSE AGAIN,

Bringing salvation without sin,

Tearing down that carnal man,

In every temple where he stands.

I'm raising up with a brand new Word,

In a voice you've never heard,

I'm raising up, I'm raising up,

In your house again!

77. COME INTO THIS PLACE – ASCENSION,

Where no death can enter in,

My own life through resurrection,

Qualifies this Corporate Man.

I am ready now to speak as,

I am righteous evermore,

New ascension brings authority,

And I have opened up your door.

78. TAKE ME AND BREAK ME – `till I'm nothing,

Make me and mold me, `till I'm something,

Then take me and use me for your glory,

Until all that I am – is You.

**79. THE WORDS OF LIFE, ARE ONLY WORDS until each one is formed,
Until it's worked within your life, and that new creation born.
You can talk of high and mighty things, and still not pay the price,
But unless it's formed within you, you're not walking in an endless Life.**

**Now the words you speak, when brought by mind, are shallow and not real,
My Words are pure light, and the power you will feel.
Be not afraid of faces Sons, for this is your Day, it's here,
For I am separating wheat from chaff, translation time is near.**

**80. I DON'T WANT TO SING A SONG that has no love nor peace,
I just want to sing a song, that will bring you your release,

A new name through a melody, His nature to extol.**

**Sing a new song, manifesting all His is,

Sing a new song, of the Lamb who is our Light,
Sing a song of our redemption,
As He takes away our night.**

The lid is shut tight, so no carnality,**

A spiritual eye is now open, you'll see,
If you can believe, I'll leave you just Light,
Hermetically sealed, away from all night.**

**82. GOD HAD A PERFECT DESIGN,
When He brought you and I into mind,
Although we danced to the fiddle, of a religious riddle,
He held onto us all the time.**

**This pattern He is now bringing in,
Is the Corporate Man without sin,
We'll dance to a song that is new,
For His nature is forming, It's true!
(continued on next page)**

GOD HAD A PERFECT DESIGN continued

**Now Truth will win out every time,
What matters if others decline?
His purpose I know we will be,
For He's whittled a whole lot on me.**

We'll return back where we belong,
A river that's flowing with Life,
Destroying all death and all strife.**

**83. IT'S BECAUSE OF YOU – my world in brighter,
It's because of you, my burden's lighter.**

**I know I now can stand,
Within this Corporate Man,
All in our rightful place,
Not just by His grace, but His plan.**

**And it's because of you, His purpose we shall be,
It's because of you, His presence now we see.**

**I know the lame shall walk,
And the dead shall hear His voice,
And now the blind shall see,
Not by man's will, but by God's choice.**

84. WHEN WE COME TO THE END OF OURSELF,

**There'll be no broken vessels
Sitting down on God's shelf.
All men free, All men see,
That God is all that is left,
When we come to the end of ourself.**

**85. I'M LOSING CONTROL of this life of mine,
So I've placed it in hands that, are much wiser than I,
And although it may seem that, things are getting out of hand,
I really don't mind, so long as they fit in God's plan.**

**Now you may think that I'm loco, that I've plumb lost my mind,
And as far as I know friend, you just may be right!
But the mind that I had, well, it never did see the Light,
So, I've placed it in hands that, are much wiser than I.**

**86. IF I NEEDED YOU would you cast all your lots with me?
If the Tree of Life we saw, would you set all men free?
Would you come to say, "we're living in a time that has no end"?
If you will, then our allotted time begins.**

**87. I'M FREE TO WALK UPON THE HIGHEST MOUNTAIN there may be,
I'm free to place my feet upon the land and on the sea,
I'm free to manifest the very image that He is,
I'm free, but I'm not loose, as in the Kingdom I now live.**

**88. I'M FREE, FREE, FREE INDEED,
No more to bow and weep,
For I've heard God's voice to me,
And I'm free, free, free indeed!**

89. CORPORATE – is yielding fruit, throughout the ministry,

Corporate, means losing all your own identity.

This man, lays down his life, that all men may go free,

Corporate – now God's majority.

90. THE YOUTH OF THIS WORLD – well, they can

Change the world, wait and see.

Doing the things that God said,

Living in reality.

The Christ shines forth in their temple,

Causing their natures to be,

Loving and kind, honest with man,

The youth of this world, THEY CAN!

91. I KNOW THAT IT'S TIME, it's high time in God,

You've died for too long, now it's time to sing a new song,

Oh, it's time to conquer death once and for all in God,

It's your time, it's my time, it's the time.

It's time to say "bye – bye" to the nights that you have cried,

It's time to say "hello" to the joy of the Lord,

Oh, it's time the sun broke through, and on your land shine so bright,

It's your time, it's my time, IT'S THE TIME!

92. THE SPRING HAS COME AT LAST,

The winter's from us past,

Our fields are full of flowers in full bloom.

Our rivers all run free,

Our tree begins to leaf,

Our nights grow short, our days grow long,

This is our Spring Time Song.

93. WE'RE MEASURING UP to all the Father said we would be,

It's no longer me, but it's you and I, in Him, you see.

We're returning back to where we belong,

Death is destroyed, the battle is won,

We're measuring up to all the Father said we would be.

94. HEALING IS THE CHILDREN'S BREAD,

Restoration, the Priesthood's meat,

Why would you refuse what they can see?

The balance now is in your hands,

Separating all death from man,

So release yourself, that all men may go free.

95. THERE'S ONE THING GREATER THAN FAITH and that is purpose,

By the plan that I've laid, and the counsel I gave, it shall be.

No longer patched up, but filled with light and glory,

You're the purpose I chose, you are formed in my likeness, you see.

96. WOULD YOU LOVE ME in the silence, just as in the high, high praise?

Would you love me as instructions lead you to a brand new Day?

Would you give your life completely, losing all – My Life to gain?

By your love all men will know Me, in the sunshine and the rain.

97. Who in this day, can stand up and say, "WE'RE THE LORD'S"?

Who can proclaim, to every age, "we're the Lord's",

Those who see God's holy face, and know that Christ is come,

We are the ones who will stand up and say, "We're the Lord's!"

Let the earth be still, and hear our voice, we're the Lord's,

Good news we have, for every man, we're the Lord's,

The world will change, as we proclaim, God's everlasting love,

And we are the ones who will stand up and say, "We're the Lord's!"

98. SUCH AS I HAVE, I GIVE UNTO THEE,

For such as you are, is living in Me,

So together we'll run, like Peter and John,

Let the world look on us,

His mighty works will be done.

99. THERE'S A TIME TO LAUGH and a time to cry,

A time to live and a time to die,

A time to be all the things our Father said we would be.

A time to kill and a time to heal,

A time to break down and a time to build,

A time to bring forth the Word to set creation free.

So as you weep, know soon you will laugh,

And as you mourn, know soon you will dance,

It's the time to get, to lose, to keep and to cast away.

A time to keep silent, a time to speak,

A time to love and a time to hate,

And balanced we'll be, as we walk on into God's new Day.

100. I'M READY FOR A CHANGE, LORD

I'm ready for a change, Lord

From the old into the new.

I'm ready for a change, Lord

I'm ready for a change, Lord

And don't stop until I'm just like You.

Until my darkness turns into light,

Until my blindness turns into sight,

Until my weakness turns into might,

I want to be like You.

**101. I WILL SING IN THE WAYS OF THE LORD,
Until the evidence appears, until His nature's sealed,
Until creation no more groaneth and travails,
Until old heavens are removed, and no man is found in hell,
I will sing in the ways of the Lord.**

**102. LOCK US UP IN YOU, OH LORD, and throw away the key,
Burn up our old ways, let them no longer be,
And if we're to be found at all, let us be found in Thee,
Lock us up in you, Oh Lord, and throw away the key.**

**103. I CAME HERE FOR A REASON,
This is my time and season,
And on you I'm believing,
So let Christ move through you.**

**Remove all that does hinder,
Unto Christ now surrender,
Let no thought be deceiving,
I know I'll be made new.**

**104. GOD IS BUILDING A HOUSE
In which creation shall dwell,
These rooms are God's mansions**

He's delivered from hell.

Prepared for the ages

His purpose to be,

God is building a house

With you and with me.

105. OH, YE MIGHTY MEN OF VALOR,

Stand on your feet I say,

We're headed toward a new age,

Where death has no more sway.

We'll be changed with brand new garments,

As we look upon His face,

Coming forth in His creation,

Israel will have a race.

Oh, Ye mighty men of valor,

Stand on your feet, I say,

Lift your hands to Jesus,

Help is on the way.

And just remember you won't fail,

If He has called you to this Day,

Rejoice, rejoice, you army,

And keep marching toward this age.

106. WILL YOU ALLOW MY SPIRIT TO FLOW THROUGH YOU?

Will you allow my power to change you too?

**Supernaturally working, as in days of old,
If you'll allow – I'll bring you forth as pure gold.**

107. THIS MINISTRY CAME OUT OF HELL, MY FRIEND,

It had no beginning, it has no end.

**A Priesthood brought forth to save all men from hell,
To lead all His people to heaven to dwell.**

This heaven's at hand, it's within you, you see;

A nature brought forth now in you and in me.

**The garments are changing, we'll soon see pure light,
Hold steady, I'm working, to bring forth your flight.**

108. THERE'S A FIRE THAT'S BURNING DEEP INSIDE ME,

It's rearranging all my earthly ways.

It's a fire that cleanses me completely,

And brings me forth to live in God's new Day.

I'm on fire, the flames are getting hotter,

It's burning up all my death and strife.

I thank God for this holy fire,

For it's flames impart God's purest Life.

109. WE'RE NOT MOURNING, WE'RE NOT WEEPING,

We're just headed for the reaping,

And the day's at hand when God shall reign supreme.

We're not daring, we're not staring,

We're just headed for repairing,

It's the Day when we shall now repair the breach.

So, be not silent all ye watchmen, as upon the walls you set,

It's the time when we shall mention just His name.

Now creation is awaiting, no more nervous hesitating,

As My Word comes forth, all men shall know the change.

110. OUT OF THE FIRE, a voice did speak,

It made me tremble and it made me weak,

But a work has begun and soon I know He'll give,

Power and authority, that we may live!

(continued on next page)

OUT OF THE FIRE continued

Out of the fire, I felt a quake,

It made my earth to crumble and my heavens shake,

But a new Word is forming for all men to hear,

Each man in his own order, O, the time is near.

Out of the fire, I shall be made whole,

Established in a sure place, a real true gold,

My book He is writing so that all may see,

That our of the fire, I will set men free.

111. CHORUS:

IN THY PRESENCE, In Thy Presence,

Let me live, Lord, in Thy Presence.

There is fullness of life eternal,

In Thy presence, O Lord.

There is healing, for everybody,

In Thy presence, O Lord.

There is goodness and loving kindness,

In Thy presence, O Lord. (Chorus)

There are seraphims and Holy cherubims,

In Thy presence, O Lord.

There is righteousness, and holy living,

In Thy presence, O Lord. (Chorus)

There is peace, with great contentment,

In Thy presence, O Lord.

And there is joy, with great glory,

In Thy presence, O Lord. (Chorus)

There is resurrection, in Thy presence,

In Thy presence, O Lord.

There's a pure Word, right from the Throne Room,

In Thy presence, O Lord. (Chorus)

There's no death, nor corruption,

In Thy presence, O Lord.

There's only Life and salvation,

In Thy presence, O Lord. (Chorus)

112. MERGE ON INTO WHERE GOD'S LIFE IS FLOWING,

God has a plan that you soon will be knowing,

This is the Day, when the first fruits shall stand tall.

Hearing the trump, they will all run for cover,

You are the house, hold up one another,

Merge on in, we are ordained to rebuild the walls.

113. I'M A CHILD OF GOD, from His loins I came,

I'm filled with His Word, I bear His Name.

I walk His new walk, I sing His new song,

I sit in His throne, that's where I belong.

He's given me power, over hell and the grave,

I'll raise the dead, turn night into day.

I'm a part of His plan, I'm in my right place,

I'm called to this age, all death to erase.

So, don't you ask me my name, or my pedigree,

I'm not of this world, I'm Abraham's Seed.

**I came out of God, I'll return back again,
Refined by His fires, made one whole New Man.**

114. COMFORT THE CHILDREN,

**Draw them near,
Dry up their tears,
Show them God is here.**

**Take away their night,
Bring an end to their strife,
Give them salvation,
Give them Life!**

115. YOU'RE ON THE BRINK, so just stand still,

**You have not failed, you're in My will,
This is the Day, when the chosen shall go free.**

**You're on the brink, be not afraid,
You shall walk in the plan I've made,
So just stand tall, give me your all,
And live in Me.**

(continued on next page)

YOU'RE ON THE BRINK continued

**To be swallowed up in victory,
All of my death, that's my destiny,
So that the second death has no power over me.
Appointed unto, me once to die,
Now judgment's begun from Him on high,
A witness I'll be, Life entering me,
No more dead in the street.**

**116. THIS IS COMING FROM THE FATHER,
And here's the reason why;
If it came through a doctrine,
All men would surely die.
It's been reserved in heaven,
And now the time is here,
And it's coming from the Father,
So be released and have no fear.**

**117. The day is at hand, and the timing is now,
THIS IS IT, THIS IS IT.
Just look unto your God, and He will show you how,
This is it, This is it!**

**Just believe in His Word, and do as He says,
Open up your heart, and take that first step,
His voice will lead you on,**

His life will give you strength,

This is it, This is it!

118. LO, I AM COMING,

Ye shall look for Me again,

This time appearing,

Unto salvation without sin.

Why stand ye gazing?

I have come and now you see,

In these clouds of Glory,

Shall ye now appear with Me.

119. THOU WILT SHOW ME THE PATH OF LIFE,

In thy presence, is fullness of joy.

Thou wilt show me the path of Life,

At Thy right hand, there are pleasures forevermore.

120. THE HUNDRED AND FORTY-FOUR THOUSAND NOW STAND,

The ones who are led by the Lamb and not man.

The Firstfruits awaking, as He trumps the sound,

Their head in the heaven, their feet on the ground.

The fires are raging, great cleansings are on,

**In their mouth is no guile, and they sing a new song.
Awaiting the marriage and the feast to begin,
This great virgin company, redeemed from among men.**

121. IT WON'T RAIN ON YOUR LAND,

**If you keep not the Feast.
And your man, he can't stand,
In God's day of release.
You'll have no wine nor oil,
When the plagues do appear,
Unless you sit at His table,
For Tabernacles is near.**

122. IT'S YOUR POWER LORD,

**That defeats our every foe,
The victory, when You arose,
Now vanquishes our woes.
The words You speak,
They're spirit and they're Life,
They quicken us,
And take away our night.**

123. HEALING WINGS, give us your flight,

Son of righteousness arise,

**From our earth, shine forth your Light,
Change our minds, from thoughts of death, into pure Life!**

124. I'VE BEEN IN A PRISON HOUSE,

And I've been hungry too.

I've been low and lonely,

And naked just like you.

Then someone entered into me,

And set my spirit free,

And I heard a voice proclaiming,

You have done this unto Me!

125. BY THE WORD OF OUR TESTIMONY,

We shall overcome,

By the word of our testimony,

The victory is won.

We'll be able to enter in,

To that Land and live again,

By the word of our testimony,

We shall stand.

126. MY GRACE IS SUFFICIENT FOR THEE,

My grace is sufficient for thee,

Eyes have not seen, nor have ears heard,

**All that's recorded in My Word,
But My grace is sufficient for thee.**

**127. TAKE A STAND, IF YOU CAN,
And hear this whole Corporate Man,
Our Father does have a plan,
Through His trump now in the land.
It's onward, higher, we shall go,
We cannot lag nor be too slow,
The marriage supper's near, you know,
Uniting Body, Spirit, Soul.**

**128. WE'RE THE ECCLESIA, the heavenly gathering,
Of those that are present, and those that are absent.**

**Not just the earthly, but also the heavenly,
Urging us onward to the victory.**

**Heavenly creatures, flames of fire,
Giving us strength, to finish the race.**

**All are progressing to God's great completion,
Restoration's power, to both realms proclaimed.**

**129. WE'RE IN A DAY, THAT'S MET WITH A DAY,
That now is in view,
The Day that was, that now is,
And the Age that is new.**

**Coming together as One, in His Corporate Son,
And a new trump they sound,
From the East and the West, the North and the South,
We are plowing new ground!**

**130. HOW PLEASANT IT IS for all to see,
Brethren dwell in unity,
As they praise the Lord,
Watch the captives go free!**

**These are the Priesthood of the Lord,
And as they all stand, we are restored,
How pleasant it is,
How pleasant it is.**

**131. AS FIRES RAGE, the world proclaims that all is well,
As kingdoms fall, My Seed stands tall, and shall prevail.
Though smitten, they return to Me, and give their all,
This Army lives, each joint supplies, so that none shall fall.**

**And I've broken thee, that you might set others free,
And I've wounded thee, so My Life they can see.
But all that I have torn, I'll heal and I'll restore,
My glory, I'll set on thee, a righteous Seed you will be.**

**132. I WANT TO BE, all I was meant to be,
I want to be, His love for all the world to see.
I want to hear, Him say these words to me,
"Well done, my Son, I am pleased with thee."**

**133. TURN US AGAIN LORD, and cause Your face to shine,
Lead us to still waters, by Your Life divine.
Restore us and raise us into new heights with Thee,
So that creation, at last may go free.**

(continued on next page)

TURN US AGAIN LORD continued

**For one day, is ending and a new age is at hand,
With just men, made perfect, with their peers they now stand.
Each one in their order, fitly joined, now we see,
A whole man, made perfect, to be used of Thee!**

**134. GIVE US THIS DAY, our daily bread,
Then lead us to pastures, where we may be fed,
And take us to heights never seen by man,
Give us this Day, our daily bread.**

135. CHORUS:

WHAT A WONDER, what a Wonder you are.

You've exceeded our expectations by far.

Salvation for all men, and not just a few,

What a Wonder, what a Wonder, You are!

I see you hanging on a tree that's so cold.

Your accusers are cursing you, we're told.

You look them all over, and cry, "forgive them Father"

What a Wonder, what a Wonder, You are! (Chorus)

On the third day you've arisen from the tomb,

Your disciples come looking, but you're not there.

You've been preaching to lost souls, the Gospel of the Good News,

What a Wonder, what a Wonder, You are! (Chorus)

136. OH, YE GATES OF THE LORD, open wide in one accord,

For the King stands inside, He will not be denied.

Then beckon all who will hear, for this marriage is near,

Of Body, Spirit, Soul; Blow the trump! Let's go!

137. BORN TO CONQUER,

He knew what we would be,

It is in His image,

Brought forth to set men free.

Dying daily to all that hinders man,

**For we are His purpose,
That all may live again.**

**138. HE'S OUR TOWER,
That will never fall,
He's all Power, and He is our all.
He's a Fortress, when the fiery trials appear,
A Bright Light,
Who will guide our way.
He's our Refuge as we see this day,
He's our Lifeline,
He's putting heaven and earth on display.**

**139. THERE'S A MAN STANDING ON THE RIVER,
He's proclaiming life unto both sides,
He is dressed in garments made of linen,
For He's a Priest of Christ, the Most High.
Both banks of the river are rejoicing,
As the hear the resurrection sound,
Each side's receiving their new body,
As heaven and earth meet together on higher ground!**

**140. COME ALL YE WHO ARE WEARY,
And I will give thee rest,
I will give thee rest,
I will give thee rest.**

**My yoke, it is easy, and my burden is light,
I will lead thee, and you'll have perfect sight.**

For ye did run well, so who shall hinder thee?

Who shall hinder thee?

Who shall hinder thee?

These trials are given, so that I may set you free,

A pillar in My house, you'll be.

141. THE DAY'S AT HAND,

No flesh shall stand,

For Jesus, the Christ, now speaks

Forth with new Life out of mortal man.

Stand on your feet,

The trumpet blows,

Ascension time's here

To make one whole New Man,

Body, Spirit, Soul.

(continued on next page)

THE DAY'S AT HAND continued

CHORUS:

And like an eagle we'll soar,

To a secret place high,
"Till the storms over pass,
And we no longer die.
Just men's spirit's cry loud,
To see Life on both sides,
Of the river of Life,
So, it's here we'll abide.

142. Cast your bread upon the waters,
In many days it shall return,
Then give a portion to the hungry,
For it's the Bread of Life they yearn.

Be not silent all ye Watchmen,
For the Harvest time has come,
Now go forth, ye mighty reapers,
For the battle has begun.

CHORUS:

YE FLAMES OF FIRE

Hear the Word of the Lord,
Ye have clean hands, a pure heart, and in your mouth is a sword.
Go separate the tares from the wheat now I say,
And bundle them to burn, for you're the fire that I'll use,
Take out all that offends and all iniquity too,
And we'll break bread and drink wine in my Kingdom anew.

**143. Many words once were spoken, in a far off distant land,
That have crossed the mighty oceans, and the ages they have spanned,
Well, they speak of life eternal, of salvation for all men,
God's creation made immortal, by the Christ that dwells within.**

CHORUS:

**HE IS LORD, OVER ALL, and He's King upon His throne,
He's becoming all in all, as He reigns, forevermore.**

(continued on next page)

HE IS LORD OVER ALL continued

**I can see the smoke arising, from the furnace of this Day,
As all our dross and tin, He's burning, like the stubble and the hay.
But what is left is Oh, so precious, as His jewels we now become,
And we taste of His redemption, as He loses – No, Not One!**

144. JUST BEYOND THE GLORY CLOUDS,

**I see a host appear,
They descend now into earthly realms,
Where we now stand, they are near.
Beholding us no longer, from far away,
But they see clear,
And together we shall rent the veil,
For perfection time is here.**

**A command rings out from our Father's voice,
Saying, "Yield – the Day's at hand"
To usher in this exploit group,
That is called, The Corporate Man.
As my plan unfolds and will is done,
In earth, so all men may see,
The invisible now brought to light,
Reconciling all to me!**

CHORUS:

**Hey, look! And see this heavenly host,
And feel their presence, in the Holy Ghost,
Rejoice, restoration is at hand.
Together, we now sing,
And His presence we do bring,
Both sides of the river, bringing forth this Corporate Man!**

**145. OUR GOD'S A STEAMROLLER, rolling through the land,
Our God's a steamroller, rolling through the land,
And woe unto the man, who in front of Him just stands!**

**146. PRECIOUS IS MY GOLD,
Deep within, it lies,
Purposed long ago,
To bring you to pure life.**

**Failure ne'er shall be,
Trusting, onward go,
This is your new Day,
My presence now to show.**

**147. LORD, I WANT YOU TO KNOW, I really do love you,
Lord, I want you to know, I really adore you,
Your love has made me complete,
As I worship and praise you,
With all of my strength, and all of my heart,
I really do love you.**

**I'm sure, you've heard this before, from the multitudes crying,
Their lips, singing your praise, but their hearts are far from you,
I know it must break your heart, so I want to assure you,
I searched my own heart, and Lord, I found out, I really do love you.**

**148. THE FIRES OF HEAVEN, it has hit earth's land,
Our Father brought forth His very own plan,
It's perfection, for His Seed.
No man shall stand in the strength of his flesh,
But the servant that's tried, makes pure gold that lasts,
With direction for all needs.
But those who walk in the light of this Day,
Find a path that's narrow, and Him guiding their way,**

Through resurrection.

Come up Higher, our God reigns.

Come up Higher, our God reigns.

149. LET US WORSHIP HIM, in the beauty of His appearing,

As He makes us one, so the world this Son now may see.

Give Him glory, in the power of His resurrection,

His love casts out all fear, let the trumpet sound, He's here!

150. THE HEART OF GOD is the Father,

The faith of God is the Son,

The voice of God is the Holy Ghost,

And we're His hands through which victories are won.

These are now forming His body,

A heart with faith, His voice and His hands,

When every joint is supplying His Life,

Great victories are won in our land,

Great victories are won in our land.

151. I'M YOUR MELTING POT,

I'll take the whole lot together,

**Blending well, with one purpose in mind.
Then I'll raise you up,
To lead ALL to redemption,
And out of hell – you'll restore ALL mankind.**

**152. I FOUND THE PEARL,
I bought the whole field,
A royal diadem,
My eyes have seen.**

**And now I stand,
With you, for His will,
You're a royal Seed,
And that, for Christ I glean.**

**153. BEHOLD, I LIVE - though death surrounds me,
Behold, I live – though hell's do rage.
Behold, I live – for I've ascended,
And now, for Christ - His life I give,
Yes, now for Christ - His life I give.**

**154. I heard a voice call to me, COME UP HIGHER and see,
All the mysteries I have in store.
There's a garment reserved it's true,
Shining white and it's for you,**

Transfiguration for my body now to see.

It was the time, back then to see,

Elijah – Moses – and Me, and my servants were allowed to behold.

They saw the Glory of each day and all three were there to say,

"Come up higher, the time now has come."

Yes, come up higher with me, to a mount where you can see,

All the mysteries for you now in store.

Your garments I will change, you'll be transfigured in my name,

For it's the third Day, and creation shall go free.

155. YOU'RE NOW IN RESURRECTION,

Get ready to ascend,

Never to dwell in the heart of the earth again.

New Life now freely flowing,

You're a river that has no end,

Rejoice, it's your resurrection Day,

Both sides are gathering unto Him.

156. I'M CROSSING OVER THE BORDER,

Headed for heavens on high,

I'm bringing back this message to all,

God has called you to live and not die,

God has called you to live and not die.

**I'm crossing over the border,
Behind the veil I now go,
He gives a command, in righteousness stand,
Take my people to a place they don't know,
Take my people to a place they don't know.**

**Now you must cross over the border,
To your Father who's living within,
The time now has come, for His will to be done,
And He's appearing this time without sin,
He's appearing this time without sin.**

**157. I will drink of your cup – I will taste of your pain,
I will walk in your earth – until you're made whole again.
SWEET COMMUNION WE'LL SHARE – as broken bread we become,
Until we flow in His Life – and His will is done.**

**I will lift up your hands – strengthen knees that are weak,
I will stand firm in prayer – as His answers you seek.
Sweet communion we'll share – as we break down all strife,
In remembrance of Him – we will show forth His Life.**

**158. GOD'S DETERMINATION in Zephaniah 3:8,
Prophesied a word wherein today we relate.
He said, "I'll gather all the nations that are living in thee,**

And I'll destroy them by the fire of My jealousy."

(continued on next page)

**For I will have a people with a language that's pure,
With one consent to serve Me and will learn to endure,
And in the day of Life and Glory, I will make up the lack,
I'm mighty in the midst of thee, let not thine hands be slack.**

**I'll undo all that afflicts thee, the time to gather you is here,
Come out of your captivity, rejoice and have no fear.**

**It's with joy that I rejoice over Zion it is true,
So just rest in My love and with singing march on through.**

**For I'm making you a name and a praise upon the earth,
Being mighty in the midst of thee, I've determined all your worth.
My purpose and My will works righteous judgment now in thee,
Rise up now New Creation, go set every man free.**
